

(vi) If the collection will be in installments, the amount or percentage of net annuity in each installment; and

(vii) If the debtor does not (in writing) consent to the offset, or does not (in writing) acknowledge receipt of the required notices and procedures, or the creditor agency does not document a judgment offset or a previous salary offset, identify the action(s) taken to comply with 4 CFR 102.3, including any required hearing or review, and give the date(s) the action(s) was taken.

(6) *Notice of debt.* When a creditor agency cannot send a complete debt claim, it should notify OPM of the existence of the debt so that the lump-sum will not be paid before the debt claim arrives.

(i) The notice to OPM must include a statement that the debt is owed to the United States, the date the debt first accrued, and the basis for and amount of the debt, if known. If the amount of the debt is not known, the agency must establish the amount and notify OPM in writing as soon as possible after submitting the notice.

(ii) The creditor agency may either notify OPM by making a notation in column 8 [Remarks] under “Fiscal Record” on the Individual Retirement Record, if the Individual Retirement Record is in its possession, or if not, by submitting a separate document identifying the debtor by name, giving his or her date of birth, social security number, and date of separation, if known.

(c) *Time limits for sending records and debt claims to OPM.*—(1) *Time limits for submitting debt claims.* Unless there is an application for refund pending, there is no specific time for submitting a debt claim or notice of debt to OPM. Generally, however, agencies must file a debt claim before the statute of limitations expires (4 CFR 102.4(c)) or before a refund is paid. Time limits are imposed (see § 845.406(a)) when the debtor is eligible for a refund and OPM receives his or her application requesting payment. In this situation, creditor agencies must file a complete debt claim within 120 days (or 180 days if the agency requests an extension of time before the refund is paid) of the date OPM requests a complete debt claim.

(2) *Time limit for submitting retirement records to OPM.* A paying agency must send the Individual Retirement Record to OPM no later than 60 days after the separation, termination, or entrance on duty in a position in which the employee is not covered by FERS.

§ 845.406 OPM processing for non-fraud claims.

(a) *Refunds—incomplete debt claims.* (1) If a creditor agency sends OPM a notice of debt claim against a refund OPM is processing for payment, OPM will withhold the amount of the debt but will not make any payment to the creditor agency. OPM will notify the creditor agency that the procedures in this subpart and 4 CFR 102.4 must be completed; and a debt claim must be completed and returned to OPM within 120 days of the date of OPM’s notice to the creditor agency. Upon request, OPM will grant the creditor agency one extension of up to 60 days if the request for extension is received before the lump-sum payment has been made. The extension will commence on the day after the 120-day period expires so that the total time OPM holds payment of the refund will not exceed 180 days.

(2) During the period allotted the creditor agency for sending OPM a complete debt claim, OPM will handle the debtor’s application for refund under section 8424 of title 5, United States Code, in one of two ways:

(i) If the amount of the debt is known, OPM will notify the debtor of the debt claim against his or her lump-sum credit, withhold the amount of the debt, and pay the balance to the debtor, if any.

(ii) If the amount of the debt is not known, OPM will not pay any amount to the debtor until the creditor agency certifies the amount of the debt, submits a complete debt claim, or the time limit for submission of the debt claim expires, whichever comes first.

(b) *Refunds—complete debt claims.*—(1) *OPM receives an application from the debtor prior to or at the same time as the agency’s debt claim.* (i) If a refund has been paid, OPM will notify the creditor agency there are no funds available for offset. Except in the case of debts due because of the employee’s failure to pay health benefits premiums while he

or she is in nonpay status or while his or her salary was not sufficient to cover the cost of premiums, creditor agencies should refer to the instructions in the FCCS for other measures to recover the outstanding debt; however, OPM will retain the debt claim on file in the event the debtor is once again employed in a position subject to retirement deductions.

(ii) If a refund is payable and the creditor agency submits a complete debt claim in accordance with § 845.405(b) (1), (2), (3), or (4), the debt will be collected from the refund and any balance paid to the debtor. OPM will send the debtor a copy of the debt claim, judgment, consent, or other document, and notify him or her that the creditor agency was paid.

(2) *If OPM has not received an application from the debtor when the agency's debt claim is received.* If a debtor has not filed application for a refund, OPM will retain the debt claim for future recovery. OPM will make the collection whenever an application is received, provided the creditor agency initiated the administrative offset before the statute of limitations expired. (See 4 CFR 102.3(b)(3) and 102.4(c).) OPM will notify the creditor agency that it does not have an application from the debtor so that the agency may take other action to recover the debt.

NOTE: If the recovery action is successful, the creditor agency must notify OPM so it can void the debt claim.

(3) *Future recovery.* (i) If OPM receives an application for refund within 1 year of the date the agency's debt claim was received and the creditor agency does not indicate that interest is accruing on the debt, the debt will be processed as stated in paragraph (b)(1)(ii) of this section.

(ii) If OPM receives an application for refund within 1 year of the date the agency's debt claim was received and the creditor agency indicates that interest accrues on the debt, when necessary, OPM will contact the creditor agency to confirm that the debt is outstanding and request submission in writing, of the total additional accrued interest. OPM will not make interest computations for creditor agencies.

(iii) When OPM receives an application for refund more than 1 year after

the creditor agency's debt claim was received, whether interest accrues or not, OPM will contact the creditor agency to see if the debt is still outstanding and, when necessary, request an update of the interest charges. If the debt is still due, the creditor agency must give the debtor an opportunity to establish that his or her changed financial circumstances, if any, would make the offset unjust. (See 4 CFR 102.4(c).) If the creditor agency determines that offset as requested in the debt claim would be unjust because of the debtor's changed financial circumstances, the agency should permit the debtor to offer a satisfactory repayment plan in lieu of offset. If the agency decides to pursue the offset, it must submit to OPM the requested information and any new instructions within 60 days of the date of OPM's request or the claim may be voided and the balance paid to the individual.

(c) *Annuities—incomplete debt claims.* (1) If a creditor agency sends OPM notice of a debt or an incomplete debt claim against a debtor who is receiving an annuity, OPM will not offset the annuity. OPM will notify the creditor agency that—

(i) The procedures in this subpart and 4 CFR 102.4 must be completed; and

(ii) A debt claim must be completed and sent to OPM.

(2) No time limit will be given for the submission of a debt claim against an annuity; however, a debt claim must be received within 10 years of the date the Government's right to collect first accrued (4 CFR 102.3(b)(3)).

(d) *Annuities—complete debt claims—(1) General—(i) Notice.* When OPM receives a complete debt claim and an application for annuity, OPM will offset the annuity, pay the creditor agency, and mail the debtor a copy of the debt claim along with notice of the payment to the creditor agency.

(ii) *Beginning deductions.* If OPM already established the debtor's annuity payment, deductions will begin with the next available annuity payment. If OPM is in the process of establishing the annuity payments, deductions will not be taken from advance annuity payments, but will begin with the annuity payable on the first day of the

§ 845.407

month following the last advance payment.

(iii) *Updating accrued interest.* Once OPM has completed a collection, if there are additional accrued interest charges, the creditor agency must contact OPM regarding any additional amount due within 90 days of the date of the final payment.

(2) *Claims held for future recovery.* (i) If OPM receives an application for annuity within 1 year of the date the agency's debt claim was received, the debt will be processed as stated in paragraph (c)(1) of this section.

(ii) If OPM receives an application for annuity more than 1 year after the agency's debt claim was submitted, OPM will contact the creditor agency to see if the debt is still outstanding. If the debt is still due, the creditor agency should permit the debtor to offer a satisfactory repayment plan in lieu of offset if the debtor establishes that his or her changed financial circumstances would make the offset unjust. (See 4 CFR 102.4(c).) If the agency decides to pursue the offset, it must submit the requested information and any new instructions about the collection to OPM.

(e) *Limitations on OPM review.* In no case will OPM review—

(1) The merits of a creditor agency's decision regarding reconsideration, compromise, or waiver; or

(2) The creditor agency's decision that a hearing was not required in any particular proceeding.

§ 845.407 Installment withholdings.

(a) When possible, OPM will collect a creditor agency's full claim in one payment from the debtor's refund or annuity.

(b) If collection must be made from an annuity and the debt is large, the creditor must generally accept payment in installments. The responsibility for establishing and notifying the debtor of the amount of the installments belongs to the creditor agency (see § 845.405(b)(5)). However, OPM will not make an installment deduction for more than 50 percent of net annuity, unless a higher percentage is needed to satisfy a judgment against a debtor within 3 years or the annuitant has consented to the higher amount in

5 CFR Ch. I (1–1–04 Edition)

writing. All correspondence concerning installment deductions received by OPM will be referred to the creditor agency for consideration.

§ 845.408 Special processing for fraud claims.

When an agency sends a claim indicating fraud, presentation of a false claim, misrepresentation by the debtor or any other party interested in the claim, or any claim based in whole or part on conduct violating the antitrust laws, to the Department of Justice (Justice) for possible treatment as a fraud claim (4 CFR 101.3), the following special procedures apply.

(a) *Agency processing.* If the debtor is separated or separates while Justice is reviewing the claim, the paying agency must send the Individual Retirement Record to OPM, as required by § 845.405(c)(2). The agency where the claim arose must send OPM notice that a claim is pending with Justice. (See § 845.405(b)(6) for instructions on giving OPM a notice of debt.)

(b) *Department of Justice processing.* (1) The Attorney General or a designee will decide whether a debt claim sent in by an agency will be reserved for collection by Justice as a fraud claim. Upon receiving a possible fraud claim to be collected by offset from the Fund, the Attorney General or a designee must notify OPM. The notice to OPM must contain the following:

(i) The name, date of birth, and social security number of the debtor;

(ii) The amount of the possible fraud claim, if known;

(iii) The basis of the possible fraud claim; and

(iv) A statement that the claim is being considered as a possible fraud claim, the collection of which is reserved to Justice.

(2) When there is a pending refund application, the Attorney General or designee must file a complaint seeking a judgment on the claim and send a copy of the complaint to OPM; or as provided in 4 CFR 101.3, refer the claim to the agency where the claim arose and submit a copy of the referral to OPM within 180 days of the date of either notice from the agency that a claim is pending with Justice (paragraph (a) of this section) or notice from Justice
